

RIVERWALK TUCSON HOMEOWNERS ASSOCIATION

Dog Waste Policy

Riverwalk Tucson Homeowners Association Governing Documents empower the Board of Directors to write policy for the community. Accordingly, this Dog Waste will be in effect as of March 1, 2021.

The pooch population of Riverwalk is nearly equal to humans. Unfortunately, not all dog owners act responsibly when it comes to picking up after their pets. Dog waste has become a huge problem throughout common areas.

Dog waste is both unsightly and messy. Of greater concern, it poses a health hazard – for fellow canines and humans alike.

Doggie bags are provided at three community “stations,” none more than 25 yards from where your dog does her/his business. Even so, no dog person should leave home without a bag. Everyone must be held accountable.

AS SUCH, ANYONE OBSERVED TO NOT PICKUP AFTER HER/HIS DOG(S) WILL BE SUBJECT IMMEDIATELY TO A \$100.00 FINE FOR EACH INSTANCE.

Adopted by the Board of Directors January 11, 2021.

Noticed to all deeded owners by mailing February 1, 2021.

Provided to all Resale Disclosures effective February 1, 2021.

Signed 

President, RWT HOA Board of Directors
